

Level - 3

Technician Diploma in Electrical and Electronic Engineering

All these assessments are provided by [City & Guilds](#) to use as a qualification. The duration of this level was approximately one year, consisting of two semesters, each lasting six months. The cost for one year is around **4,200,000 MMK**, including registration fees, exam fees, & semester fees.

To achieve the Level 3 Technician Diploma in Electrical and Electronic Engineering, learners must achieve **27 credits** from 301 - 302, and a minimum of **27 credits** from 328, 330, 332 - 335, 351 of which a minimum of **9 credits** must come from 328, 335 - 322.

Unit	Title	Assessments
301	Engineering Health and Safety	Online Multiple Assessment
302	Engineering Principles	Online Multiple Assessment
358	Principles of Electrical and Electronic Engineering	Written Paper
328	Maintenance of Electrical Equipments and Systems	Assignment
333	Computer Automatic and Robotic Systems principles and control	Assignment
334	Power Supply and analogue and digital circuit principles and fault findings	Assignment
335	Electronic power control principles and practice	Assignment
330	Organising and Managing engineering operations	Assignment

332	Mechatronics systems principles and fault finding	Assignment
351	Advanced Mathematics and Science	Written Paper
